What is it really like to be a Black pupil in a Bath school today? This project sets out to find out.

ACTIVITIES

Research Skills

Learn how research actually works — how questions are designed, evidence gathered, and findings published. Skills you'll use way beyond this project.

Look Under the Hood of Your School

Explore what Bath schools have actually done on race equality — using the Race Equality Charter as your guide.

Earn Rewards

Core group members who help shape and respond to the research earn spending vouchers for their time.

Share Your Experience

Your voice matters here. Add your story to the research and hear what others have lived through.

Creative Collaboration

Turn findings into something people will actually engage with — through media, podcasting and creative content.
